Tech Week

*Arriving early (not before 4 PM!) will help us keep the schedule! We understand some schools let out later than others, but if folks can get to the Wellness Center earlier to get in costumes/mics that will help us start earlier!

*While we will try to dismiss as close as 6:30, please expect as late as 6:45 PM.
However, in the past, cast members arriving early has helped TREMENDOUSLY
with getting us out on time!
